FOR FUN AND EXCITING NEW EVENTS LIKE:

DECORATE YOUR GOLF CART CONTEST!!!

You too can be part of the parade that starts off the
2025 Lakefest activities!

July 25th at 5pm, drive on down to the lodge, get your cart number and...

We'll parade around Sandy Trail.
Gonna drive with one paw tied behind my back and
tail between my legs... Ruff!
We'll get all decked out and try for the prize!
Only thing I want you fellas to do... Don't talk me out of it!
Ruff!!!

First place decoration wins the mug.
Top three carts win bragging rights
and a reserved parking spot.

*for Lake Fest

Saturday ONLY.

Sponsored by Eric Danhoff
Danhoff-Donamiller Realty

I'll get you my pretty little mug!
I want you most of all!
NOW DRIVE!

"A cart is not judged by
how fast it goes; but by
how creatively it flows".

4TH OF JULY

Holiday Lakes Safety Committee Reminder

All boaters at Holiday Lakes must follow our published association rules, which work alongside Ohio state boating laws. Since these rules are directly safety-related, there is a \$250 fine for the first offense plus liability for any damages. These rules aren't meant to penalize our community members—they exist to protect everyone's safety and enjoyment of our beautiful lake.

Additional Important Reminder - Nighttime Boating Lighting: We've noticed some confusion about proper boat lighting after dark. When operating your boat at night:

- You must use navigation lights (red and green at bow, white at stern) whenever your boat is moving
- Docking lights are for docking only—using them while cruising can blind other boaters and interfere with everyone's evening enjoyment

Your cooperation helps maintain the safety and beauty of our lake community. Thank you for doing your part to keep Holiday Lakes safe for all.

- B2. All watercrafts including boats, personal watercraft, non-powered boats etc. shall keep to the right shoreline and must travel in a counterclockwise pattern around the lake unless returning directly to a downed skier, tuber, wake surfer or kneeboarder.
- B3. All watercrafts must maintain a distance of at least 60 feet between themselves and other watercraft, skiers, wake surfers, tubers, knee boarders and any other objects on the lake.
- B4. All watercraft advancing on a skier, wake surfer, tuber, or knee boarder should not follow less than 90 feet directly behind in the event skier, wake surfer, tuber, or knee boarder falls. Watercraft engaged in towing a skier, wake surfer, tuber, knee boarder has the right of way.
- B5. No wake is permitted within channels or designated area and all watercraft shall operate at idle speed. Idle speed means the slowest possible speed needed to maintain steerage or maneuverability.
- B6. Boaters should not exceed the capacity standards of their watercraft as established by the manufacturer.
- B7. A). All watercrafts must avoid swimming beaches (unless parking in designated beach parking areas) and other designated areas. Watercraft operating within 50 feet of the beaches, swim areas and swim ropes must operate at idle speed.
B). All watercrafts must not exceed the maximum speed of 40 miles per hour. If a lesser speed is posted, it must be observed.
- B8. A). All watercraft operating on Holiday Lakes between sunset and sunrise must be equipped with operation lights as required by the Ohio Division of Watercraft. During the hours between sunrise and sunset, watercraft shall operate at idle speed. Idle speed means the slowest possible speed needed to maintain steerage or maneuverability.
B). Operation of jet skis (personal watercraft) on the lake between the hours of sunset and sunrise is prohibited.

IF YOU DIG IT...FILL IT

Here are some important reasons why you should fill in any holes you dig on our beaches:

Preventing Injuries to Humans:

- **Tripping Hazards:** Unfilled holes, even shallow ones, can be a tripping hazard for beachgoers, potentially causing sprains, twists, or even broken bones. This is especially dangerous at night when visibility is limited.
- **Collapse Hazards:** Deep holes pose a significant risk of collapse, which can trap and injure or even kill individuals. This danger is magnified for children.

Maintaining Beach Infrastructure:

- **Beach Erosion:** Digging deep holes can weaken the beach's foundation and contribute to beach erosion, potentially undoing efforts and investments in beach nourishment projects.

•

Respecting the Beach and Its Value:

- **Beach Cleanliness:** Leaving holes unfilled leaves unsightly pits on the beach, detracting from its natural beauty and potentially accumulating litter.

THANK YOU FOR CARING FOR ONE ANOTHER & THE AMMENITIES WE ENJOY!

6PM @ The Lodge

All of Holiday Lakes events are planned by two committees; Lake Fest & Social Committee. Every year they gather once a month to plan and execute the Pancake Breakfasts, Poker Runs, Lake Fest, Duck Race as well as each Holiday Event. If you would like to be a part of each one of these events, whether it be planning or helping, please join us at the lodge. These events are not only a great way to meet other members but it's always a great way to get involved in your community.

We ask you to join us the 2nd Tuesday of every month at 6pm for the Lake Fest planning meeting and 7pm for the Social Committee planning meeting.
